Project Fact Sheet

CWP-81

Lift Station Improvements

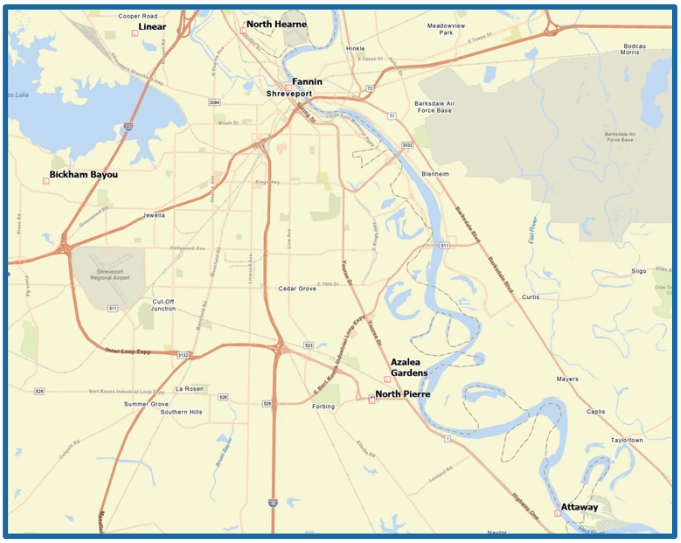
Azalea Gardens, Attaway, Fannin, Bickham Bayou, North Hearne, North Pierre, & Linear Lift Stations

Planning	Design	Construction	Completed

Project Information

Category: Wastewater
Asset Type: Lift Station
Designer: Forte & Tablada
Contractor: N/A

Approximate Completion Date: TBD
Approximate Project Cost: $55,000



Project Description

Study and report and design of the rehabilitation of lift stations to address current mechanical, electrical, hydraulic, and operational issues contributing to observed SSOs or reliability issues that, if not addressed, have a high likelihood of causing future SSOs. The City intends to complete only Study & Report and Design activities at this time.
